作者からのメッセージ

自分の部屋では飼えないので、すぐ近所のペット・ショップさんのウィンドウ越しの子猫や子犬に勝手に名前をつけて、毎日通りかかるとガラスにへばりついて幸せになっています。とてもお気に入りだった子が、ある日いなくなっていると、ちょっとさびしいんですけどね。

HYPER BABY 番外編

# PETER'S CHAT

Continued

Ala, hello. Thank you for reading. After Baby until the end of Seirin, from the next issue is a day in Masaki's high school life. Well, it's an extra chapter. But, in the actual story, the Masaki that's wearing a uniform in the last scene is a middle school version of him. Sorry for confusing you by having him wear the same school uniform. First of all, in the actual story and in "School Boy," two years have passed between it where Masaki opened his eyes with his own strength and experienced many difficulties.

Oh, right, right. In the last scene of the actual story, Mana has already been married to Ikenou and has become a middle-aged woman. Ikenou did not join the Kousaku hospital and instead he became the principal in the Marukawa Academy. Well, anyway it seems like he wanted to be close to Mana and Masaki. For all those who wrote letters, worrying about what happened afterwards, be sorry for not showing you properly what happened. Anyway, the two of them are very happy.!!

This is a bit of a different story, but "On a Cloud" is the last project where I'm drawing a sports (particularly soccer!) nurse and I'm really, really having fun doing it.!!

(This is for all the fans that attended the fan event in Sapporo who said "Next time, do one related to sports." Thank you!!)

Now, I will end it here. Until the next time we meet again.
